Do that by making a gross sales page for the new guide, however do not embody a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with different costs on every page. Make sure your sales copy is precisely the same on each web page, and

contains your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum price is.
