this book now and be one of the amazing readers of this book.

Methods to Worth Your **Atmel Studio 6 User Guide** eBook

You have written and compiled an **Atmel Studio 6 User Guide** ebook. Now you have to decide how a lot to charge for it. Discovering the proper value is essential to the success of your product. If you charge too little Atmel Studio 6 User Guide , people will think it is of little worth, they usually won't purchase it, or even if they do purchase your e book, you'll have to promote thousands of copies to get to the purpose where you possibly can start to see a profit. Should you *Atmel Studio 6 User Guide* value it too excessive when compared with your competition, you'll discover yourself steadily reducing the price, which will cause you all types of new problems within the future.

Choosing the proper value in your **Atmel Studio 6 User Guide** book is likely one of the most critical elements of the advertising process. The first rule of pricing ebooks is to never underprice. Decide the very best value your audience can afford, and then when you find your book isn't promoting, you possibly can all the time cut back the price. Before you're taking that step, ensure you are promoting your Atmel Studio 6 User Guide ebook like crazy on the Internet and on websites. The worth ought to be aimed at bringing in profits, but you need to never neglect that worth is one of the elements that people use in judging the value of your *Atmel Studio 6 User Guide* e-book ? before they buy it. So all the time start with the highest worth, and then launch a mega-marketing campaign.

Pricing an e-book is particularly troublesome as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an book is as complicated as the understanding of what digital

truly is to the average layperson. Which means we should have a look at ebooks in a special light with the intention to determine their actual price in this courageous, new cyber world.

Let's look at the distinction between a e book in print and an ebook. A printed e-book is an object you can hold in your hand, retailer in your bookshelf, even hand down to the following generation. It is priced on components such as paper inventory, design and manufacturing costs, and marketing.

However the fact that unites ebooks and print books is that they're composed of ideas. It is the ideas in these books which have the power to alter, or possibly remodel, folks's lives.

What do you assume an concept is worth when evaluated towards the price of paper and ink?

It's the IDEAS which are useful! That's the way you decide the cost of your ebook.

What ought to I charge for my ideas?

There are all completely different formulas and strategies for figuring out the right value in your ebook. Let's start with honing in in your final goals.

Decide in case your purpose is to get extensive distribution and maximum exposure. This aim is aimed toward drawing customers to your business or service, or to establishing the credibility of your reputation. If that is your major purpose, it is best to purpose to maintain your worth on the low side. Some authors have even priced their ebooks at a profit loss to attract a high variety of new customers. The bottom line is to find a value that maximizes your profits and the variety of books you sell.

This is an excellent pricing technique if you're looking to acquire lengthy-term customers. Lengthy-term clients are extraordinarily likely to buy from you again and again ? as long as the first book they purchase is of exceptional high quality and helpful to the customer.

However, if your e-book comprises invaluable ? and extra importantly NEW data, references, or techniques ? then it is best to intention to cost it on the high end.

After you determine your purpose, you must work out what your viewers's want is for your ebook. For example, does your guide resolve a specific drawback? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you will be capable of achieve high gross sales at a high

price. In case your ebook solves an issue or answers questions in a new and unique way, you must price your guide as high as you possibly can go. You'll obtain larger earnings this way, but usher in fewer customers. Simply make certain the query or problem that your book solves is one which is essential and related to nearly all of your market audience. If your concepts aren't common data, or you are presenting a brand new approach, it is possible for you to to sell books at a high price. Simply be prepared for your competition to undercut you on price as soon as they hear about your book.

Remember that the above pricing technique is temporary. Ultimately, you will cease to sell books at this high price. So figure out in advance how lengthy you plan to supply your e book at this high value, and when that time is up, change your pricing strategy.

If you wish to see massive income over buyer draw, aim for an viewers that is in search of straightforward solutions to their issues at a low price. If your guide is aimed toward fixing one particular problem quite than basic recommendation, then you may charge more. Begin on the highest value the market will bear to bring in the largest earnings, and plan to discount the book a number of instances all through the year.

Advertising Strategies

The key that unlocks the sales potential of your ebook is to find a single sentence that becomes your promoting handle. This sentence states what query or downside your book answers and the advantages your ebook can provide. Then remember to use that sentence in every piece of gross sales

and promotional materials, and every time anybody asks you about your ebook.

Moreover selling your books assiduously on-line, there are several different strategies that may enable you to sell more books.

One is to offer something away for free along with your ebook, reminiscent of a priceless bonus item. Or bundle several ebooks beneath one price, which lowers the worth for every e-book in the event that they were offered separately.

An efficient method for figuring out a worth is to send out a survey to your current customers. If these prospects have already bought an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales web page for the new ebook, but do not embrace a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out costs by making a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your sales copy is precisely the similar on every web page, and contains your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum price is.

Finally, if you've written a e-book that solves a problem or presents a brand new method, your e book will bring in each traffic and profits. So make sure to write that selling-deal with sentence that sums up what downside your e book solves and what the advantages of your *Atmel Studio 6 User Guide* book will be to the shoppers who purchase it. And then watch your market come to you!
