Should you *Briggs Stratton Intek Service Manual* worth it too excessive in comparison together with your competition, you can see yourself steadily lowering the worth, which can cause you all kinds of new problems in the future.

Choosing the proper value for your **Briggs Stratton Intek Service Manual** e-book is likely one of the most critical elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the highest worth your audience can afford, after which if you happen to discover your e-book isn't selling, you can at all times scale back the price. Earlier than you're taking that step, ensure you are selling your Briggs Stratton Intek Service Manual book like crazy on the Internet and on websites. The worth must be aimed toward bringing in profits, but you must never overlook that price is among the elements that people use in judging the value of your *Briggs Stratton Intek Service Manual* e book ? earlier than they buy it. So all the time begin with the highest price, and then launch a mega-marketing campaign.

Pricing an ebook is especially tough as a result of ebooks are a reasonably new commodity. Since

they are digital, the worth of an e-book is as complicated because the understanding of what digital actually is to the common layperson. Which means that we must take a look at ebooks in a distinct light with the intention to decide their actual value in this courageous, new cyber world.

Let's look at the difference between a book in print and an ebook. A printed e book is an object you'll be able to maintain in your hand, retailer in your bookshelf, even hand down to the following generation. It is priced on elements such as paper stock, design and manufacturing prices, and marketing.

However the fact that unites ebooks and print books is that they are composed of ideas. It's the concepts in these books that have the power to vary, or possibly remodel, individuals's lives.

What do you suppose an idea is worth when evaluated against the cost of paper and ink?

It is the IDEAS that are worthwhile! That's the way you determine the cost of your ebook.

What ought to I cost for my ideas?

There are all completely different formulas and strategies for determining the right price for your ebook. Let's begin with honing in on your ultimate goals.

Decide in case your objective is to get extensive distribution and most exposure. This objective is aimed toward drawing customers to what you are promoting or service, or to establishing the credibility of your reputation. If that is your major aim, you must purpose to keep your value on the low side. Some authors have even priced their ebooks at a revenue loss to attract a excessive number of new customers. The secret's to discover a value that maximizes your income and the number of books you sell.

This is a wonderful pricing technique if you're looking to purchase lengthy-term customers. Lengthy-time period prospects are extremely likely to purchase from you again and once more ? as long as the primary e book they buy is of distinctive high quality and helpful to the customer.

Nonetheless, in case your e book contains worthwhile ? and more importantly NEW information, references, or techniques ? then it is best to purpose to price it on the high end.

After you figure out your aim, you should work out what your viewers's need is to your ebook. For example, does your guide remedy a selected problem? If it does, and solves it in a approach that hasn't been written about in one hundred other ebooks, you'll be capable of achieve high gross sales

at a excessive price. In case your e-book solves a problem or answers questions in a brand new and unique approach, you need to price your guide as excessive as you'll be able to go. You'll obtain bigger income this fashion, but bring in fewer customers. Just ensure that the question or downside that your ebook solves is one that is necessary and related to nearly all of your market audience. In case your ideas are usually not common information, or you are presenting a model new technique, you will be able to promote books at a high price. Simply be prepared on your competition to undercut you on worth as quickly as they hear about your book.

Take into account that the above pricing strategy is temporary. Ultimately, you'll cease to sell books at this high price. So work out upfront how long you plan to offer your e book at this excessive price, and when that point is up, change your pricing strategy.

If you want to see giant income over customer draw, purpose for an audience that is on the lookout for easy options to their issues at a low price. If your e-book is aimed toward solving one particular problem rather than common advice, then you can charge more. Begin at the highest worth the market will bear to usher in the largest earnings, and plan to discount the book a variety of occasions all through the year.

## Marketing Methods

The key that unlocks the sales potential of your e-book is to find a single sentence that turns into your selling handle. This sentence states what query or problem your book solutions and the benefits your ebook can provide. Then be sure to use that sentence in every piece of gross sales and

promotional material, and each time anyone asks you about your ebook.

Moreover selling your books assiduously on-line, there are a number of other strategies that can allow you to sell extra books.

One is to provide one thing away without spending a dime with your e-book, akin to a worthwhile bonus item. Or bundle several ebooks under one worth, which lowers the price for every book in the event that they have been offered separately.

An effective method for determining a price is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the new e-book, but don't embody a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on each page. Make sure your sales copy is strictly the similar on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This can let you know what your optimum value is.

In the end, in case you've written a ebook that solves a drawback or presents a brand new approach, your book will usher in both site visitors and profits. So remember to write that selling-handle sentence that sums up what drawback your e-book solves and what the advantages of your *Briggs Stratton Intek Service Manual* e book can be to the purchasers who purchase it. And then watch your market come to you!
