Do this by creating a sales web page for the brand new e-book, but don't include a value on that page. One other technique is to test out costs by making a variety of duplicate gross sales pages with completely different prices on every page. Be sure your gross sales copy is exactly the identical on

each web page, and contains your selling-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum worth is.
