Choosing the proper worth to your **Cobit Foundations Study Guide** book is among the most critical elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Determine the highest price your audience can afford, and then in case you discover your guide isn't selling, you possibly can at all times scale back the price. Earlier than you take that step, ensure you are promoting your Cobit Foundations Study Guide book like crazy on the Internet and on websites. The price needs to be aimed toward bringing in earnings, however you should never neglect that price is without doubt one of the factors that folks use in judging the value of your *Cobit Foundations Study Guide* ebook ? before they buy it. So all the time start with the highest worth, and then launch a mega-advertising campaign.

Pricing an e book is especially difficult because ebooks are a reasonably new commodity. Since

they're digital, the value of an e book is as complicated as the understanding of what digital really is to the common layperson. Which means we should look at ebooks in a different light so as to decide their precise value in this brave, new cyber world.

Let us take a look at the difference between a ebook in print and an ebook. A printed ebook is an object you may maintain in your hand, retailer in your bookshelf, even hand down to the next generation. It's priced on components such as paper inventory, design and production costs, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the flexibility to change, or possibly rework, individuals's lives.

What do you assume an concept is worth when evaluated against the cost of paper and ink?

It's the IDEAS which are useful! That is the way you determine the cost of your ebook.

What ought to I charge for my concepts?

There are all completely different formulation and methods for figuring out the proper worth on your ebook. Let's start with honing in in your ultimate goals.

Determine in case your objective is to get broad distribution and maximum exposure. This goal is aimed at drawing prospects to your small business or service, or to establishing the credibility of your reputation. If that is your principal goal, you should intention to keep your worth on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high number of new customers. The bottom line is to find a value that maximizes your earnings and the variety of books you sell.

This is a superb pricing technique in case you are trying to acquire long-time period customers. Long-time period clients are extremely doubtless to purchase from you once more and again ? as long as the first book they buy is of exceptional high quality and beneficial to the customer.

However, if your book comprises beneficial ? and more importantly NEW data, references, or methods ? then you need to intention to price it on the excessive end.

After you figure out your aim, you have to work out what your viewers's need is for your ebook. For instance, does your e-book remedy a selected drawback? If it does, and solves it in a way that hasn't been written about in 100 other ebooks, you will be in a position to achieve excessive gross

sales at a excessive price. If your e-book solves a problem or solutions questions in a brand new and unique manner, you need to worth your ebook as excessive as you'll be able to go. You'll obtain bigger income this fashion, however herald fewer customers. Just make sure the question or problem that your book solves is one that is vital and related to the vast majority of your market audience. In case your concepts are not common information, or you might be presenting a model new technique, it is possible for you to to promote books at a high price. Simply be prepared in your competition to undercut you on price as quickly as they hear about your book.

Understand that the above pricing technique is temporary. Eventually, you'll cease to sell books at this high price. So determine prematurely how long you plan to supply your book at this high worth, and when that point is up, change your pricing strategy.

If you want to see massive earnings over buyer draw, goal for an viewers that's searching for straightforward options to their problems at a low price. If your book is geared toward solving one specific problem quite than general advice, then you'll be able to cost more. Start at the highest price the market will bear to bring in the largest income, and plan to discount the e-book a variety of instances throughout the year.

## Advertising and marketing Strategies

The key that unlocks the gross sales potential of your book is to find a single sentence that turns into your promoting handle. This sentence states what query or downside your e-book answers and the benefits your e-book can provide. Then you should definitely use that sentence in each piece of

gross sales and promotional material, and every time anybody asks you about your ebook.

Moreover selling your books assiduously online, there are several other methods that can help you promote more books.

One is to offer one thing away at no cost along with your book, such as a valuable bonus item. Or bundle several ebooks under one value, which lowers the value for every e-book in the event that they had been bought separately.

An effective technique for determining a value is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a sales web page for the brand new ebook, however do not include a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with completely different prices on each page. Make sure that your gross sales copy is exactly the similar on each web page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum value is.

In the end, should you've written a ebook that solves a drawback or presents a new method, your ebook will herald each traffic and profits. So remember to write that selling-deal with sentence that sums up what problem your e book solves and what the advantages of your *Cobit Foundations Study Guide* e-book will probably be to the purchasers who buy it. After which watch your market come to you!
