The way to Price Your **Deep Diver Manual** eBook

You've got written and compiled an **Deep Diver Manual** ebook. Now it's important to determine how a lot to charge for it. Finding the appropriate value is crucial to the success of your product. If you cost too little Deep Diver Manual, folks will suppose it's of little worth, and so they will not purchase it, and even if they do buy your ebook, you'll have to promote hundreds of copies to get to the point the place you may begin to see a profit. If you *Deep Diver Manual* price it too high in comparison together with your competitors, you will find yourself steadily decreasing the price, which will cause you every kind of new problems in the future.

Choosing the right value for your **Deep Diver Manual** ebook is likely one of the most critical elements of the marketing process. The first rule of pricing ebooks is to by no means underprice. Determine the highest value your viewers can afford, and then if you discover your guide isn't promoting, you can at all times scale back the price. Earlier than you take that step, be sure you are promoting your Deep Diver Manual e-book like crazy on the Web and on websites. The value should be aimed toward bringing in income, but it's best to never neglect that worth is without doubt one of the factors that people use in judging the worth of your *Deep Diver Manual* e book ? before they buy it. So all the time begin with the best value, and then launch a mega-advertising campaign.

Pricing an e-book is especially troublesome as a result of ebooks are a reasonably new commodity. Since they are digital, the value of an book is as complicated as the understanding of what digital truly is to the common layperson. This means that we should take a look at ebooks in a unique light

in order to determine their precise value in this brave, new cyber world.

Let's look at the distinction between a guide in print and an ebook. A printed ebook is an object you'll be able to hold in your hand, retailer in your bookshelf, even hand down to the subsequent generation. It is priced on components such as paper inventory, design and production prices, and marketing.

However the truth that unites ebooks and print books is that they are composed of ideas. It is the ideas in these books which have the ability to alter, or probably remodel, people's lives.

What do you assume an thought is price when evaluated against the cost of paper and ink?

It is the IDEAS which are priceless! That's how you determine the price of your ebook.

What should I charge for my ideas?

There are all different formulas and methods for determining the correct price for your ebook. Let's start with honing in on your final goals.

Determine if your objective is to get extensive distribution and most exposure. This aim is geared toward drawing clients to your corporation or service, or to establishing the credibility of your reputation. If this is your foremost goal, you must goal to keep your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. The key is to discover a worth that maximizes your income and the variety of books you sell.

This is an excellent pricing technique in case you are seeking to purchase long-time period customers. Lengthy-time period clients are extremely probably to buy from you again and once more ? as long as the first e book they buy is of distinctive high quality and helpful to the customer.

Nonetheless, if your e book comprises valuable ? and extra importantly NEW info, references, or techniques ? then it is best to intention to cost it on the high end.

After you determine your goal, you need to determine what your audience's need is on your ebook. For example, does your book resolve a particular problem? If it does, and solves it in a means that hasn't been written about in 100 different ebooks, you may be able to achieve high gross sales at a high price. In case your e-book solves an issue or answers questions in a new and unique means, you

need to worth your book as excessive as you may go. You will obtain larger income this manner, but usher in fewer customers. Just be sure that the question or downside that your e book solves is one that is important and related to nearly all of your market audience. If your ideas should not widespread information, or you might be presenting a model new technique, you will be able to promote books at a high price. Just be prepared to your competitors to undercut you on value as soon as they hear about your book.

Take into account that the above pricing strategy is temporary. Ultimately, you'll cease to promote books at this high price. So figure out in advance how lengthy you plan to offer your ebook at this excessive value, and when that time is up, change your pricing strategy.

If you want to see giant profits over customer draw, goal for an viewers that's in search of straightforward solutions to their problems at a low price. If your ebook is aimed toward solving one particular drawback somewhat than common advice, then you may cost more. Begin on the highest value the market will bear to usher in the largest income, and plan to discount the guide a variety of times all through the year.

Advertising Methods

The important thing that unlocks the gross sales potential of your ebook is to discover a single sentence that becomes your selling handle. This sentence states what question or drawback your e book solutions and the benefits your e book can provide. Then remember to use that sentence in every piece of sales and promotional material, and each time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are several different strategies that can help you promote more books.

One is to give something away totally free along with your book, equivalent to a valuable bonus item. Or bundle a number of ebooks underneath one price, which lowers the price for every ebook in the event that they were bought separately.

An efficient approach for figuring out a value is to ship out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales web page for the new guide, however don't include a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with completely different costs on each page. Be sure your sales copy is exactly the similar on every web

page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between visitors to your website and gross sales of your book. It will inform you what your optimum value is.

Ultimately, should you've written a guide that solves a problem or presents a brand new technique, your guide will bring in both site visitors and profits. So make sure you write that promoting-deal with sentence that sums up what drawback your book solves and what the advantages of your *Deep Diver Manual* e-book might be to the shoppers who purchase it. And then watch your market come to you!
