Do that by creating a sales web page for the new guide, but do not embrace a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with different costs on every page. Ensure that your sales copy is exactly the same on every page, and contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum worth is.

Finally, in the event you've written a e book that solves a problem or presents a new approach, your guide will usher in both site visitors and profits.
