Do that by making a gross sales web page for the new book, however do not embody a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with completely different prices on every page. Make sure that your sales copy is strictly the same on each web

page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, in the event you've written a guide that solves a drawback or presents a brand new technique, your e-book will herald both site visitors and profits. So be sure to write that selling-deal with sentence that sums up what problem your e-book solves and what the benefits of your *Gs650 Repair Manual* guide shall be to the shoppers who buy it.
