Start at the highest price the market will bear to herald the largest earnings, and plan to low cost the e book a number of instances throughout the year.

If these customers have already purchased an e book from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new guide, but do not include a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to check out prices by making a variety of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is exactly the similar on each web

page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your site and gross sales of your book. This will inform you what your optimum value is.
