Instead, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate gross sales pages with totally different prices on every page. Be sure your gross sales copy is precisely the same on each

web page, and includes your promoting-deal with sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This will inform you what your optimum price is.
