An efficient approach for determining a price is to ship out a survey to your present customers. If these customers have already purchased an e-book from you, ask for his or her opinion by way of price. Do this by making a sales page for the new guide, but do not embrace a value on that page. Instead, add numerous links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with different prices on every page. Be certain your gross sales copy is precisely the similar on each page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and sales of your book. It will tell you what your optimum value is.
