As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out costs by making a variety of duplicate sales pages with different costs on each page. Be certain that your gross sales copy is precisely the same on every page, and

contains your promoting-deal with sentence. Then work out for every page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum value is.
