Do this by creating a sales page for the new ebook, however do not embrace a worth on that page. Another technique is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Ensure your gross sales copy is exactly the identical on each

web page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum worth is.

Finally, if you happen to've written a e book that solves a problem or presents a brand new method, your e book will herald both visitors and profits.
