An effective method for determining a worth is to send out a survey to your current customers. If these clients have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the brand new e book, however don't include a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with different costs on each page. Be sure your gross sales copy is strictly the identical on every page,

and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.

In the end, when you've written a ebook that solves a drawback or presents a brand new approach, your e-book will herald each site visitors and profits.
