Do this by creating a sales page for the new guide, however don't embrace a price on that page. As an alternative, add a number of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the similar on

each web page, and consists of your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. It will let you know what your optimum price is.

Finally, in the event you've written a e-book that solves a drawback or presents a new approach, your ebook will usher in each traffic and profits.
