Do this by making a gross sales web page for the new e book, however don't embody a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different prices on every page. Make sure your gross sales copy is precisely the similar

on every page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and gross sales of your book. This may let you know what your optimum worth is.

Finally, in the event you've written a e-book that solves a drawback or presents a new technique, your ebook will bring in both visitors and profits.
