that page. As a substitute, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by making a number of duplicate sales pages with completely different prices on each page. Ensure your sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum value is.
