The key that unlocks the sales potential of your e-book is to find a single sentence that becomes your selling handle. An effective approach for determining a worth is to send out a survey to your current customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do that by creating a gross sales page for the brand new ebook, but do not embrace a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with different prices on each page. Make sure your gross sales copy is exactly the same on each web page,

and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum price is.

In the end, when you've written a e-book that solves a problem or presents a brand new method, your e book will bring in each site visitors and profits.
