Do that by making a gross sales web page for the brand new guide, however don't embrace a worth on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on each page. Be sure your sales copy is exactly the same on each web page, and

contains your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum price is.

Ultimately, in case you've written a ebook that solves a downside or presents a brand new method, your ebook will bring in both site visitors and profits.
