An effective technique for determining a value is to ship out a survey to your current customers. Do this by making a gross sales web page for the brand new e book, but do not embrace a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Ensure your sales copy is precisely the identical on every page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum price is.

In the end, in the event you've written a ebook that solves a downside or presents a brand new approach, your ebook will usher in each site visitors and profits.
