to price. Do that by making a gross sales web page for the brand new e book, but do not embody a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on each page. Be sure that your gross sales copy is exactly the same on each page, and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and sales of your book. This may inform you what your optimum value is.

Finally, should you've written a e-book that solves a downside or presents a brand new approach, your book will herald both site visitors and profits.
