Do that by making a gross sales page for the new ebook, but do not include a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out costs by creating a variety of duplicate gross sales pages with different prices on each page. Be sure your sales copy is exactly the same on every page, and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum value is.

In the end, in the event you've written a e-book that solves a problem or presents a new technique, your e book will usher in both traffic and profits.
