If your book is geared toward fixing one specific problem rather than general advice, then you'll be able to charge more. Begin on the highest value the market will bear to usher in the largest earnings, and plan to discount the ebook a number of instances throughout the year.

Advertising Methods

The key that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your promoting handle. This sentence states what query or downside your e-book answers and the advantages your book can provide. Then make sure you use that sentence in every piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides selling your books assiduously online, there are a number of other strategies that may enable you to sell extra books.

One is to present something away without cost together with your e book, corresponding to a helpful bonus item. Or bundle several ebooks beneath one worth, which lowers the value for every ebook if they had been sold separately.

An efficient approach for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion in terms of price. Do that by creating a sales page for the brand new e book, but don't embody a worth on that page. As a substitute, add a variety of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a number of duplicate sales pages with different prices on every page. Make sure that your sales copy is strictly the identical on each web

page, and consists of your promoting-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum price is.

Finally, if you happen to've written a e book that solves a problem or presents a brand new technique, your e book will bring in both site visitors and profits. So be sure you write that selling-deal with sentence that sums up what problem your ebook solves and what the advantages of your 2008 book might be to the purchasers who buy it.
