As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Ensure that your gross sales copy is precisely the same on

each web page, and consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum price is.

In the end, if you've written a e book that solves a drawback or presents a brand new method, your e book will usher in both site visitors and profits.
