sales and promotional material, and every time anybody asks you about your ebook.

One is to give one thing away free of charge with your guide, such as a precious bonus item. Or bundle a number of ebooks underneath one worth, which lowers the worth for every book in the event that they were sold separately.

An efficient approach for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the new book, but don't embrace a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with different prices on every page. Be certain that your sales copy is exactly the identical on every web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

In the end, in case you've written a ebook that solves a drawback or presents a brand new technique, your e-book will usher in both traffic and profits. So be sure to write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your 2195 e book will be to the purchasers who buy it.
