Do this by creating a gross sales web page for the brand new e-book, but do not embrace a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with totally different costs on each page. Ensure your gross sales copy is strictly the same on each page, and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum value is.
