As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with totally different prices on every page. Be sure your sales copy is precisely the identical on every

page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum worth is.

Finally, should you've written a guide that solves a drawback or presents a new technique, your book will bring in both visitors and profits.
