The important thing that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your promoting handle. Another technique is to check out costs by creating a variety of duplicate sales pages with different costs on every page. Be certain your sales copy is strictly the same on every page, and

includes your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum worth is.
