If these clients have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the new guide, but do not embrace a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different costs on every page. Be sure that your sales copy is exactly the identical on every page, and includes your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum price is.

In the end, if you've written a e book that solves a drawback or presents a new method, your guide will usher in both site visitors and profits.
