Do that by making a sales web page for the brand new book, but do not embrace a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on every page. Be certain your gross sales copy is precisely the identical

on each page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum value is.

Finally, for those who've written a book that solves a problem or presents a new technique, your e book will usher in both visitors and profits. So be sure to write that selling-handle sentence that sums up what problem your e book solves and what the benefits of your 560 ebook shall be to the shoppers who buy it.
