Do that by creating a gross sales page for the brand new ebook, but don't embrace a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with different costs on each page. Ensure your gross sales copy is strictly the similar on every web page, and contains your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. This will inform you what your optimum price is.

Ultimately, for those who've written a e-book that solves a problem or presents a new approach, your e book will usher in each traffic and profits.
