Do this by creating a gross sales page for the new book, however don't include a value on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Make sure that your gross sales copy is precisely the

similar on each page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

In the end, in the event you've written a ebook that solves a drawback or presents a brand new technique, your guide will usher in each traffic and profits.
