Do this by making a sales web page for the new book, however don't include a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to test out prices by creating a number of duplicate gross sales pages with different costs on every page. Make sure that your sales copy is precisely the identical on every

page, and contains your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This may let you know what your optimum price is.

Finally, in case you've written a ebook that solves a downside or presents a new approach, your guide will herald each site visitors and profits.
