and promotional material, and every time anyone asks you about your ebook.

An effective approach for determining a value is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the brand new e-book, but don't embrace a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Ensure your gross sales copy is precisely the same on every web page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum worth is.

Finally, if you've written a guide that solves a problem or presents a brand new approach, your ebook will bring in both visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your book solves and what the benefits of your 852 guide shall be to the shoppers who buy it.
