that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with completely different costs on every page. Be sure that your gross sales copy is exactly the same on each page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum worth is.
